## **Parish Clusters**

*In recent years the parishes in our archdiocese have been grouped together to form clusters. It is hoped that by coming together parishes will be better able to cope with the rapid changes in the Church and society. The main purpose of the clusters is to provide for the spiritual, sacramental and pastoral needs of the area.*

*The parishes of Aghamore, Ballinlough (Kiltulla), Ballyhaunis (Annagh), Began & Knock form one such cluster. Members of the Pastoral Councils from these parishes & church areas meet occasionally to discuss matters of mutual concern, to assess the needs of the parishes and to plan for the future. At a recent meeting it was decided that:*

- *going forward, the cluster shall be known as the **St. Joseph Cluster of Parishes***
- *a brochure containing Mass-times etc. in each of the parishes and Church areas will be printed in the coming weeks and distributed to each home in the cluster*
- *A Dawn Mass will be celebrated on the shores of Lake O Flynn on Easter Sunday morning. Further details of this to follow in the coming weeks.*
